Formerly a Columbia Builders model home, this exquisite six-bedroom, five-bath residence is nestled on a peaceful, tree-lined cul-de-sac in the sought-after River Hill community. With classic architectural charm, generous living spaces, and thoughtful updates including fresh paint and new carpet, this home blends elegance with everyday comfort.

The main level also offers flexibility with a bedroom and full bath tucked toward the back of the home, perfect for guests, an office, or multi-generational living. This area connects to a well-planned mudroom that includes an entrance from the garage, a side door leading to the front porch, and access to the home's second staircase for added

convenience.

The en-suite bath invites relaxation with a double sink vanity, soaking tub, and tiled shower. Four additional bedrooms offer versatility and comfort; two feature attached full baths, and one includes a built-in desk wall ideal for study or work-from-home use. Completing the upper level is a dedicated laundry room for added efficiency.

The walkout lower level extends the home's entertaining potential, featuring a spacious recreation room with recessed lighting, a full bath, and ample counter space perfect for hosting gatherings. From here, step outside to the patio and enjoy a peaceful backyard that backs to trees, providing privacy and a natural backdrop.

Expansive decking spans the length of the home, offering abundant outdoor living space for dining, relaxing, or simply enjoying the surroundings.
